Re: In the matter of: The Application of Big Rivers Electric Corporation
for a Certificate of Public Convenience and Necessity to Construct a
161 kV Transmission Line in Breckinridge and Meade Counties,
Kentucky, PSC Case No. 2004-00365

Dear Ms. O'Donnell:

On December 10, 2004, Big Rivers Electric Corporation ("Big Rivers") submitted its responses to the Public Service Commission's first data requests. In reviewing those responses, Big Rivers discovered that a map, which was submitted in the volume containing Big Rivers' response to Item 3, was difficult to read. The map is in a pocket labeled "Appendix 5 Transmission System Map," which is at the back of the Appendices for the 2000-2002 Study. Big Rivers is now submitting new copies of that map to replace the ones originalled filed. Enclosed are ten copies of this letter, along with an original and ten copies of the new map. Please call if you have any questions.

Sincerely,

Tyson Kamuf
